The Premises:

A massage parlour on the main road from the NEC into Birmingham City Centre. Rooms are clean and fit for purpose if a bit basic. They have en-suite shower or bath and most have a massage table rather than a bed. Reasonably clean. Easy parking and cash-dispenser in the nearby Tesco car park. Don't ask me about buses or trains!

The Lady:

A more mature lady, somewhat past her first flush of youth! Slim and very fit for her age with two nice handfulls in the bosom dept. Well tanned with short dark hair. Small dark landing strip down below. Reasonably friendly and accomodating nature.

The Story:

I used to visit this parlour many years ago when I had customers in the Birmingham area, so as I was passing I thought I would try them again. Also because of the massage tables one can have sex in one of my favourite positions; with the lady on her back on the table, bottom near the end (of the table!) and with the punter in a standing position, things usually line up very nicely! Indeed it was at this parlour I first tried this position and found to my pleasure that I could control my cumming very nicely Thankyou!

Well, I was not disappointed with Penny. We played around a little first then onto the main course in my favourite position. I eventually pumped away to a very satisfying conclusion.

I also found out that Jade, my favourite lady from my previous visits here, still works, on a Tuesday I think the maid said.
