### The Premises:

Immaculately clean and tastefully furnished house midway between Central and South Croydon. Reasonably cheap meter parking in surrounding streets. Close to bus routes and several of the Croydon overground stations. Near to the Swan & Sugar Loaf pub.

### The Lady:

Very buxom Thai girl in her late twenties. Very friendly and very obliging nature. Long dark hair.

### The Story:

I had been trying to get to see Stephanie for some time, so when I did eventually manage it the event was ever so slightly an anti-climax.

Don't get me wrong; it was still a very pleasant and satisfying experience with a very willing young lady. Very few things are off limits as long as they come within the bounds of safe-sex!

I finished off with Stephanie on her back, her bottom on the edge of the bed and her feet up near her head. The strength of my thrusts moved the bed at least a metre across the bedroom floor.

However, I still await a session with the Madam herself: Sue Lee!
