The Premises:

Quiet, basic hotel, but very discreet and felt perfectly safe

The Lady:

As her pictures on her web site except a little taller than I expected and hair was a little darker (neither of which was a bad thing)

The Story:

As well as being an incredibly beautiful woman, Chloe has a personality that puts you straight at ease (thankfully as I was very nervous going in, being my first time ever doing anything like this). There are plenty of other reviews on here that say what she does, but she does it so well, probably because she seemed to enjoy it too. Great company and enjoyed chatting and joking for a while afterwards. The only negative is that an hour never seemed so short!
