The Story:

Work was taking me right past Worcester, and so I thought I would check out Kate, as I had enjoyed reading her posts on the board and she seemed like an intelligent and fun person.

Initially we were set to meet in a local hotel, but when this arrangement went pear-shaped (through unforeseen circumstances) Kate managed to make her home available for the in-call. She kept me informed via PMs and texts along the way.

So, finally got there, and Kate is very much the "sexy next-door neighbour" type; she was already dressed in a basque, like she was the bored housewife waiting for a good rogering from the window cleaner. We got pretty much straight down to business (so much easier with some that you "click" with) and I was soon fucking her hard, which she seemed to really enjoy.

Later on we looked at her range of "toys" and I used one on myself whilst fucking her a second time, and cumming again, much to my surprise!

A very easy-going and erotic encounter, all in all.
