The Premises:

Top floor penthouse flat, immaculate just doesn't do this place justice. Spotlessly clean, very modernly decorated. I'd love to live there - thats how good it is. Felt very safe, and its in good area where there are not load of people around to see you going in.

The Lady:

Gorgous, see for yourself on the website. Early Twenties, tall and damn sexy.

The Story:

Arrived to a very warm, smiling welcome from the maid, shown to the room and waited for Holly to join me. When she entered the room I was blown away, she looks so stunning. Holly undressed me very slowly, teasing me, kissing every now and again, there wasn't much for me to take off in return, but hell I like it that way.

I'm not going to go into all the details from this point, however be assured that you won't find a better experience in MK. Holly had a great oral technique and looks and responds well in every position I could manage to have her in. Great accent too, and those eyes and that smile, mmmmmmm

Will definately be back to this place as its special and I can see a few other girls on the schedule that I'd like to spend some time with.
