The Premises:

My hotel - standard, but the settee was very handy....

The Lady:

Nicole is mid-20s, stunning and petite. She has a beautifully proportioned body, gorgeous eyes and long, flowing blonde hair.

The Story:

I cannot believe that Nicole has no Field reports! She has only been 'available' this year, but is an absolute treasure.

We started with some role-play - she came to my room as a visitor, floral top (underneath which was a very sexy black and pink bra and panties) and short-cut denims, white socks. We sat on the settee and chatted over a glass of wine, she turned seductress and, despite my protests, succeeded in first kissing, then sliding onto my lap, removing her top (God, what a sight!), then undressing me, stripping off the rest of her clothes and enticing me to bed. What followed was what fantasy dreams are made of.

We chatted and cuddled for some time before the offer of a full body-to-body massage, her long hair causing further arousal and more bed action.

Nicole has to be the best-kept secret in Dundee - now also doing incalls in Dundee and Edinburgh.
