### The Premises:

Nice, well run place. No worries about getting in and out.

### The Lady:

lovely looking curvey blond bombshell. Ava's assets are particularly impressive and she uses them to good effect in the punt.

### The Story:

Outstanding punt. Ava is a girl that knows how to please a man, well this one anyway. Her oral skills (without) are exceptional and she clearly seems to enjoy herself in the appointment. Her kisses, much like her oral are big and sloppy and really turned me on.

Unfortunately I couldn't hold out to see her bouncing up and down on top of me, as I got carried away in doggie - next time, although she'll have to take it easy on me as she can really squeeze her pelvic floor muscles.

Great girl, great punt.
