The Premises:

Small shared flat. I could hear at least one other girl watching loud television.

The Lady:

Pretty petite blonde but possible not the lady I saw in the photographs. Not as pretty as photographs. Not so much makeup.

The Story:

Eastern European lady. Her English was very good on the phone and this was definitely the lady I met. Confirming the booking was quite hard and took three telephone calls. She confirmed our booking for 1800hrs, then asked me to call back 1 hour before. I did and she did not answer (obviously with another booking). I then got a text from her and was finally able to meet. She was very nice but did not speak much at first. I think she was very busy this day but was very nice to me. A nice oily massage was followed by oral (with condom) and then various positions. She is very nice and I would go back.
