The Premises:

Clean apartment in a modern block of flats. Didn't see or hear any neighbours. Seemed like a safe area. I parked round the corner and walked up looking like an insurance salesman!

The Lady:

30 years old, 5'9" tall and then add on the heels she was wearing, so she was a little taller than I am. Curvy bottom and nice smallish but incredibly firm natural boobs. Long brunette hair.

The Story:

It's been a long while since I had sex with anyone other than my wonderful wife (frigid bitch!) so I was very nervous going to see Sophia. I should not have worried. She met me at the door to her flat wearing a basque and high heels and offering a kiss for a welcome. She immediately put me at my ease and we got the paperwork over and done with. Then she gave me a towel and pointed me to the bathroom.

I told her on the phone that I was coming for oral and I asked her whether she would let me cum in her mouth. When she said yes, I booked. Now, in the room she simply got on her knees and started on my cock. I had also asked her if we could watch some porn if I brought my computer and she said we could. So I was pretty much in heaven watching good porn and getting my cock sucked expertly.

Amazingly, I don't come super fast yet she got me to the point within twenty minutes. All the time we were talking about her sexual experiences and I asked if I could video her. She said since I had already tipped her why not. So I set my computer to record us with its camera and she sucked me and stroked me until I came into her mouth. I asked her not to swallow immediately and she played with my cum for a few seconds before downing the lot and put my cock straight back into her mouth. Totally wonderful experience and I can now watch it at home - hope the wife doesn't come in at that point!

We talked for a while and she is a really bright, clever lovely woman and she seems to really enjoy what she does for a living. She made a great effort to get me to cum a second time and I was sad that I couldn't quite do it and I gave up in frustration. She was just wonderful from beginning to end. Thanks Sophia.

Please don't visit her - leave her alone for me!
