The Premises:

Flat in a smart mansion block. Nice part of Bayswater near Whiteleys

The Lady:

Petite Thai beauty. To quote the cliché, her photos do not do her justice. Although the photos are accurate they show her to be attractive - in person she is actually a perfect beauty. A body to dream of, classic Eastern face and a cheeky smile.

The Story:

She greeted me dressed as requested in lingerie and stockings. After a quick chat she invited me to undress her and take a shower with her. I have found that I really enjoy a shower with a perky young lady.

After drying off she lay on the bed and invited me to caress every part of her body - it was a real pleasure to kiss, lick and stroke every inch of her and to enjoy a perfect young body. Her OWO was truly excellent and I had to stop her before I went too far. We then moved through all the usual positions climaxing in a doggy.

She then gave me a very relaxing all over Thai massage. This had the predictable effect and she provided relief with an expert hand job. Only disappointment was that DFK did not seem to be part of the routine.

She has an irresistible smile and sweet nature.
