The Lady:

Mistress Valeska is a goddess! Her build is athletic but very lean, a look that I love. She has a beautiful ass and her legs are breathtaking.

The Story:

I have visited Valeska on several occasions, and she has taken me places (mentally and emotionally) that I could not have imagined!

She has hung me upside down, teased me to bursting, stuck needles in me! Strapon'd me, add to the list watersports, electrics, roll play

She is a domme so dont ask her for sex!
