The Story:

Jada turned up on time looking ravishing. She is one hot looking Indian girl. Her figure was perfect. Tits and arse. Curves in all the right places. I couldn't wait to undress her. She was friendly and intelligent, and although all I wanted to do was rip her clothes off and fuck her, I did get to have a great conversation with her. I took her bra off and sucked those big nipples. Her oral was deep and she seemed to enjoy sucking me. I knew from the start I was going to fuck her in all positions. First was doggy, her arse is perfectly shaped and made me want to cum. I managed to hold out. I got her to ride my cock, watching those melons bounce finished me off. Wow what a girl, can't recommend her enough. Pretty, sexy and intelligent, what more could I ask for?
