The Premises:

Well reported - well run parlour - nice rooms and facilities - and discreet entrance from private car-park. A friendly welcome when you get in.

The Lady:

Marie is a bit special really. Totally sexy, breath-takingly beautiful, but good fun as well, and always seems to have a big friendly smile for everyone. She has lovely long shiney black hair, big brown eyes, and luscious lips. She wears really sexy outfits, and has the perfect figure - lovely legs and all the curvy bits the right size and in the right place. Her skin is soooo silky soft too.

The Story:

As I was booking for an hour, I thought I'd treat myself to the VIP room, which is well worth it, as it's nice and roomy, and has its own on-suite bathroom. I'd been with Marie quite a few times, and we get on really well. We started off playing water babies in the tub. Lots of hot water and slippery foam, and a nice way of getting clean, and perfumed, and very intimate, having washed each other everywhere, then the two of us all wrapped up cozy in a big soft bath towel, hot and steamy all the way to that big circular bed. Then after that..... well it's private, so you'll just have to use your imagination. Hot stuff that Marie.

Had a marvelous time - Looking forwards to the next one.
