The Premises:

Diamonds is well known, bit shabby outside nice and warm inside, good showers, it is a fine place

The Lady:

Scarlett is a mid 20's Slovakian girl, nice body broken english

The Story:

This place is best known for older girls who just give a good service and I think some of them enjoy it themselves. Scarlett was a bit too mechanical for my liking, just went through a routine ending with doggy and her going uh uh and watching the TV. This is not the place for a girl of this age
