The Premises:

Nice place, nothing special but certainly welcoming and well run.

Not a secretive location, but always feels safe coming and going. On the 'rougner', non-uni side of town.

The Lady:

I would guess Sara is approaching 30.

She is VERY toned, tanned, and quite tall. long blonde hair. a fantastic body, with a great, strong personality.

She reminds me of Sara Cox!! So if you've ever fancied a bit with that radio coquette, come see Sara!

The Story:

Sara gives a great massage, done standing and bent over the bed so you can see her fantastic ass and legs from behind in the mirror. a good positive massage, before the moment we all love when those hands stroke down between your legs!

Sara does great "whip n wank" domination. She's great at shouting and humiliating, caning and CBT. I think she's quite an undiscovered talent tbh.

So nice to find a hot blonde doing domination instead of the normal emo brunettes!
