The Premises:

Small parlour, just off main road. Very clean and cosy once inside

The Lady:

Mid 20's brunette, size 10. Very pretty face and gorgeous body, really nice shapely bum. Came into the room with a sexy black basque and matching g-string.

The Story:

Charlie asking if I'd like any extras, said I'd like to try anal (extra ?20). She said great - she loves anal!

She stripped off her basque whilst standing in front of me, we then had a nice snogging session, with some great hand play on my cock to get me excited.

She then slipped a condom on for a covered blow job, with lots of eye contact. On to the bed, I then returned the favour, and after another quick snog I just had to fuck her. In the pussy first it felt great, looking into her gorgeous face. I then wanted some of her gorgeous arse, so she turned over and stuck her bum up, lubed me up and then had a great session in her tight arse. It's been about 5 years since my last proper anal shag, so this felt amazing. Charlie was moaning, saying "yeah fuck my arse" until I couldn't hold on any longer and shot my load.

Excellent punt, with a gorgeous lady who loves this job.
