The Story:

Have seen Sadie at another place, but time has passed and I wondered if she could match my previous experience. In truth, she's improved!

As other reports mention, it's all in the eyes. There's something extra dirty about eye contact with OWO, and Sadie's an expert. She swallowed my length as directed, almost choked as she took the lot, and never looked away from me. Incredible.

I also love her attitude - brings a whole other meaning to 'yes we can'. She specialises in fantasy and is dedicated to giving pleasure. It's that simple.

I will be sampling her - and the amazing house - again soon.
