The Premises:

As previously reported, Ego is very clean and tidy, and in a discreet location, so feel quite comfortable on arrival.

The Lady:

Had seen the pictures on the website, but do not do her justice, she is truly lovely, with an all over tan, curves in all the right places and a wonderful personality, put at ease straight away. No hassle even though I was late, traffic getting over on Friday afternoon not helpful! This could have been difficult as she had another booking scheduled straight after me.

The Story:

Opted for the body to body massage with scrub, massage was really nice and firm, finding knots i didn't know I had, Angel certainly made use of her body in doing this and she feels fantastic , soooo sexy! All the time leading to the happy ending, very intense, only shame was hadn't booked for longer! All in all a lovely lady, treat with due respect and you will be rewarded.
