The Premises:

A first floor flat in a residential area. Flat was spotless and in a block of about 6 flats. Intercom entry in a reasonably safe area. The bedroom was also spotless and clean sheets and towels were readily available.

The Lady:

A lovely lady approx 5ft 5 tall with lovely brown hair and come to bed eyes. From the moment i arrived my eyes were fixed on her gorgeous ample breasts and her cute bottom.

The Story:

Was greeted at door and offered a shower and a drink. From the moment i saw gemma i knew i had made a good choice. I had phoned about 90 minutes before to request watersports that she is happy to provide (?20 extra). Started on bed with the most sensual back massage whilst she also teased my balls with her soft hands. I asked if she had any toys and she produced a massive red dildo which she proceeded to cover and lube before getting me to lie down. She sat over my legs and slowly and surely inserted this monster into my arse, i thought i was going to pass out as she pushed and pulled this into my arse and boy she knew how to use it.

Turned over a tied up with stockings as requested before having her gorgeous sweet tasting pussy smother my face as she sucked my now rock hard cock. After a few minutes she got me to open my mouth and pressed her pussy deep into my face. I could feel her muscles relaxing as a torrent of the most sweet tasting piss ran straight from her pussy and into my mouth. She knew i wanted it and told me to start drinking and not to dare spill a drop or else. Didnt have much choice as i was pinned down by her gorgeous body with hands tied. It seemed like pints of golden nectar before it stopped and she noticed i had spilt some so it was over the bed for six of the best from the slipper on each cheek. More sucking followed as i licked her pussy and arse and i was shocked when she allowed me to shove my tounge up her chocolate starfish. Another dose of golden wine before the jacket was on and sex cowgirl style. With her moist tight pussy it was not long before i erupted as she pounded away till i was empty.

This lady is a gem and is well worth a visit. Prices are ?50 for half hour and ?100 for hour although i cxan assure you she is not a clock watcher. As already mentioned watersports are available for and extra ?20 and anal for ?40 (both at her discretion).

If you got time to spare use it wisely and visit this sex goddess.
