The Premises:

A well-known establishment, positioned discretely with a back-door entrance. Pitched up just after opening time on a Friday morning and all was quiet.

The Lady:

A youthful 25-year-old brunette with a 32B bust and an engaging personality. Catherine proved to be a confident conversationalist with thoughtful observations and articulated herself commendably.

The Story:

Found myself in the Sheffield area for a few days and decided to frequent a couple of my old favourites. Three ladies were available but having already seen one of them, opted on Catherine, who provided a no-rush professional service with tender attention to my requirements. The standard service of oral with and sex in various positions entailed much satisfaction. Catherine would be certainly be appealing in a school-girl way, but I'm not into uniform fetishes, but can appreciate it's intricacies.

A highly recommended lady, who has the zeal that I find invigorating. An obviously experienced lady, she has not permitted the job to dull her sensibilities.
