Details of Service Provider:

The Premises:

As previously described.

The Lady:

30 something, strawberry blonde hair, medium build, large breasts, average height, curvy physique with a few extra inches round the bum/tum/thighs, shaved apart from thinnest landing strips between the legs. I thought she was very attractive in a housewife next door sort of way.

The Story:

Warmly welcomed. Not a lot of conversation but felt very comfortable with her and found myself liking her a lot.

Services delivered with enthusiasm. No restriction on touching french kissing was allowed.

A wonderful experience with a lovely lady.
