The Story:

It's my first time with Bunnies so didnt know what to expect, but some great reviews about Emma on their website so decided to take a punt.

Emma made me felt at ease the moment I stepped through the door. I was totally captivated by her gorgeous smile, sparkling eyes and amazing body. We chatted a bit, and she offered me a drink. Started with a massage, she then asked if I wanted OWO or OW, I went for OWO and boy, she was absolutely amazing. Been saving it for awhile, so when I came, I exploded in her mouth.

She cleaned up and it's my turn to go down on her. She's got such a great body and her pussy tasted extremely delicious. Smells great too. I was getting really horny again, she used her amazing oral skills to get me really hard and off we go, starting with her on top. Change a couple of positions, she cum and finished off with another great oral. She's tight, talked dirty and seems genuinely enjoying it.

Emma is very eager to please, extremely intelligent and friendly. I like the huge mirror by the bed, and noticed her checking out our positions a couple of times. A real gem and the best GFE I have had!

Will definitely return, and can't wait to see her again.
