The Premises:

well described, off a side street and next to a forest. ?10.00 door charge. Pleasant receptionist on duty.

The Lady:

I was misled by the ad describing Sky who was a beautiful, blond young woman with lovely long hair and incredible body. She was there a year ago. I was looking forward to meeting her again. Is there a shortage of alternative names for workers?

There was no picture on the ad in contrast to other women there. Sure it was a slim blonde woman, size 8-10. Not the real McCoy at all. Enhanced breasts.

The Story:

I downgraded from 60 mins to 30 mins and the punt was pleasant enough. Just as well as only get one come is allowed and then time is up. Sky2 to her credit was chatty and fair in her basic package of suck and fuck.

Quite disappointed overall.
