The Premises:

As mentioned before, off a side street and kinda discreet. ?10 per half hour door fee and that also allows use of shower and towels.

The Lady:

Blond, busty lady (enhanced breasts) and about 5ft 4in, 34 DD i think, dark hair with blond highlights.

The Story:

A mixup initially with a misleading advert regarding sky and i decided to spend 30 min with another choice woman. Punt got better as time went with nice cuddles, kisses and good doggie, so much so as i asked for an upgrade to an A level. Seemed to be ok, came out and went back in and discovered not in A position, she said she told me so. Maybe. Still, made up for dissapointment with the sauna's marketing, so punt adventure ended well after all.
