The Premises:

Good Directions , safe parking and flat very easy to find. Nice Clean flat, plenty safe. Pleasant room with good mirrors and subtle lighting ... a decent radiator keeping it all nice and warm.

The Lady:

The website and pictures are absolutely accurate, although Alex is way better in the flesh,- Alex was beautifully turned out in some very tasteful lingerie, stockings and great heels. altogether a well groomed, top notch little package!! She is genuinely very pretty, great figure (All natural and very yummy) she keeps herself in great shape..... with one of the nicest wee bottoms I've come across in a while !!

The Story:

I first spotted Alex a while back 2/3 years ago and wanted very much to meet her then , but she disappeared on a sabbatical Great to see her back.

1st meetings can sometimes be a bit slow and awkward ..Not so with Alex. She is very personable and would be a great companion for dinner or a day out.

A 1st class and very sensual hour started off with a top notch pukka back massage... with Alex signalling it was time for fun by running her boobs along my back accompanied with small kisses.....pew!

From there on in everything was great, Alex engages fully in the whole event, her kisses are special and everything from there just evolves quite naturally. All services are covered but that did not detract in any way.....Alex provides a real 'girlfriend experience' - Par Excellence!!

Fun to be with, Alex is thoroughly recommended.

Great sex with a lovely , very fit young lady Returning is a 100% certainty
