The Premises:

Clean, elegant location. On street safe parking. Very discreet. Felt totally safe.

The Lady:

Anglo-Italian brunette stunner. Fabulous body, magical natural boobs, beautiful face, absolutely entrancing smile. Shaved, three tattoos (I don't like tattoos or piercings but these were elegant and didn't seem to matter, she was so gorgeous). A well-spoken and extremely friendly lady.

The Story:

My fifth punt, and my first ever report. I wanted a GFE and by gum I got it. I think I licked every square inch of her body. Fabulous pussy with large suckable internal lips. I came twice, she came six times (once on her own at my request). She doesn't do CIM or rimming but we managed just fine without. It was only a few days later that I realised that we hadn't done deep throat. Oh, well, next time...
