The Premises:

Small flat in great condition with parking just outside. Very safe.

The Lady:

She absolutely took my breath away (in a good way!). The photos on her site are fine but she is so much better in the flesh.

The Story:

I saw Honey puss and Charlotte Dean together and they were my first duo and I am utterly converted. They get on extremely well and are so utterly in tune with each other and you that it would be impossible not to walk away with an extra spring in your step.
