### The Premises:

She's in a flat in a well known block of flats near to Queensway station. To be honest her flat could do with a bit of a facelift. I don't think its dirty, but much of it could do with some renovation work particularly the bathroom.

### The Lady:

Pretty lady much as shown in the pictures

### The Story:

Lolita (Lita on other sites) is I suspect more PSE than GFE. She was willing enough, but we did not click. If she's your cup of tea then I suspect you'd have a wild and wonderful time with her. As for me ... I'm moving on
