The Premises:

The New Exchange looks as if it has had a make over. The place is clean, tidy, and well decorated. The furniture and fittings are comfortable and modern. The showers are large (with ample soap and towels). This is one of the nicest parlours that I have visited. The area at first sight seems tired and run down, although the street is a main road there were not that many pedestrians. No problem parking as I was using the train. Temple Meads is a ten minute walk.

The Lady:

Sabrina is a large busted lady (which is why I choose her), medium height, dark hair, not fat but 'well built'. I am not good with ages but seemed to be in her early/late twenties.

The Story:

I thoroughly enjoyed my visit. After being greeted and introduced to two ladies I choose Sabrina. After the paperwork was sorted out I was taken to a very nice room. Sabrina gave a fair massage but perhaps a bit light. Turned over to see and explore her magnificent chest then on with the rubber and sexin mish. A shower and off I went. Being the wrong side of 55 I found the whole experience enjoyable. The only criticism I may have is the way that the paperwork is handled in the reception area, it is like booking into a cheap hotel but all in all a good punt.
