The Story:

When Kim walked in I was so happy I had picked this sexy girl. I was seduced by her charms. She was friendly and charming. We talked for a while before we got down to business. Her oral was great, and she gave me good eye contact throughout. I was ready to take her from behind. I do like ladies that are slim and Kim was more curvy then slim. A few position later I got her to ride me till I came. I had a nice hour with Kim, and I would recommend her.
