The Story:

Booked Selena on a spur of the moment thing as a booking with another lady had fallen through due to illness. Knew I wouldn't last long so opted for the "Quicky" option. Glad I did as all she did was lie there whilst I had to make the most of looking at her body to get hard. She then managed to get up to put the condom on and lie down for mish. Nice feeling pussy so came quickly but still no interaction on her part, despite my efforts at conversation throughout. Given 1 wet wipe to remove condom myself and clean up, dressed and left.
