### The Premises:

Ruby's regular premises, small and slightly run-down, but it always feels safe - the maid/proprietor Kim is always welcoming and clearly treats her girls well

### The Lady:

Jessica is very pretty, with dark curly hair and a lovely smile - also a hairy pussy, which is a real bonus for me. She is large and voluptuous, but big-framed rather than fat - she will not appeal to lovers of stick insects but I think she's stunning!

### The Story:

I went for the come-twice service (rather than the full hour at ?150) because I can usually manage two pops in less than an hour if things go well, which I knew they would today as soon as I set eyes on Jessica. We began with a lot of very enjoyable kissing and cuddling, leading to a really good BBBJ for the first explosion. I then went down on her, which she genuinely seemed to enjoy and after a bit more kissing and sucking I fucked her three ways, reaching a very satisfactory conclusion in doggy. There was no hurry to get me out - we had a lovely chat about Ruby's girls past and present. I used to come here a lot in the days of Debbie and Sam but had rather got out of the habit - I'm sure that will change now I've discovered Jessica, who is here on Mondays and Thursdays. It was one of those punts where you walk away with a huge grin (and get another hard-on when writing the report two hours later!)- I'm sure not everyone will fancy her as much as I do and I get the impression she may not be up for very much kinky stuff if that's your thing, but for me this was close to perfection.
