The Premises:

As previously reported - brand new furnished apartment close to town centre. Utterly safe. Anonymous residential area.

The Lady:

This agency's photographs do Scarlet no favours! She is far more exciting! Imagine Amy Whitehouse, then make her 35% more exciting and alluring - you are beginning to get there! Lovely figure - I didn't ask, but I don't think that her very caressable bosom has been improved. One nipple pierced. Long red hair, and a body built for lust.

The Story:

I chose Scarlet for her age (I'm really not into teenagers) but if I'd seen better photographs, I might have gone for her outward and visible attractions. This lady is a serious kisser. She took a great deal of trouble to give me pleasure, and succeeded. I suppose I should say that she gave me a GFE, but no gf ever worked so hard to thrill me! I fear that I didn't give her the time of her life, but to be fair, that wasn't her expectation.

To use Michelin's term - Vaut la voyage!
