### The Premises:

Rented holiday apartment, clean and tidy.

### The Lady:

Pretty dark haired Spanish lady, early 20's. Good body and boobs.

### The Story:

Not very interactive from a sex perspective, just led there and said do what you want (obviously within her limits), very chatty between rounds. Had to command every step of the way may as well have had a plastic doll. However body was good to feel and pussy felt good especially when instructed to do cowgirl. Came twice. If you like to be dominant then could be for you, but I prefer a 50:50 split interaction!
