The Premises:

clean ground floor flat,close to next,easy to find,it is better to ring form outside rather than ringing the bell,met by the gorgeous busty charlotte,pity she does not appear on the rota anymore sadly missed

The Lady:

i have seen Louise many times her photos are accurate natural bust long brunette hair,full kissable lips mid twenties,very friendly

The Story:

i knew this would be a great meeting,long lingering french kiss before any money changed hands,we started with both of us naked except for her stockings,really deep lingering kissing and carressing when i said i liked kissing somewhere else it was a nice touch when Louise said i have missed your tounge.then it was my turn excellent owo both deep and sensual on with the protection started with cowgirl with girl leaning forward to kiss while riding me,changed to doggy what a great arse to look at while you are riding,finished with her laying face down when i sked if i could cum in her mouth of course she said and had the great finnish just moments later we heard knock on door how was that for great timing,so if you want a great GFE i recommend Louise highly
