The Premises:

Fay works at Victoria House, the establishment was very pleasant . I showered, had a drink and relaxed before going to meet Fay.

The Lady:

Pretty blonde lady in her twenties. Nice sexy figure and slim. She wore skimpy underwear which was very hot.

The Story:

Fay gave me a very sensual massage in a room with mirrored walls and ceiling. She seemed a little disinterested at first but was very sexual and after she took her bra off gave a lovely body to body rub.

Later she gave me a lovely hand job close to her face, she really knew her way around a cock. Then she put on protection and sucked me good and hard. She seemed to like slapping her face with my cock and I loved that so did it a lot more. She loved my cock across her face and I loved doing it. As I climaxed I plunged myself deep in her mouth and came with my head down her throat/ It was amazing.

I definitely will be back to do it again...and other stuff too.
