The Lady:

Katie is a tall, pretty, slim woman with lovely features. She has several photos on the website, which are all accurate, so you will see she is a crowd pleaser. Definitely my type of woman!

The Story:

As reported before, Katie is an expert at the quiet, gentle, sexy, erotic, true GFE that is so rare in this business. This is exactly what I was looking for, and I was 110% satisfied. She appreciated all my efforts to make her feel good and she did everything to calm my nerves and ensure my experience was a pleasurable one. She is the kind of woman you can easily fall in love with in 30 minutes. She clearly enjoyed our long missionary session and when I offered to give her a massage afterwards she was really pleased with that too. On the whole, a very positive attitude, very sexy encounter, and a lovely woman. Highly recommend!

As a side note, I have also visited Sally here and that was a wonderful experience as well which I will write about in another report!

As a second side note, the maid, Rhianna, is lovely and very organised and professional. She is hot too; I would love to do her too if it was on offer. :^)
