### The Premises:

This is an upstairs flat in a very discreet area near to London Victoria station. The bedroom was very clean and well decorated.

### The Lady:

Karina is a very slim and petite, dark haired East European girl with 32C boobs.

### The Story:

There is a choice of girls at this location and there is a menu on the wall with the services. I chose to have a massage followed by topless hand relief. O without is on offer for ?80.

The massage was good and it was very relaxing. After 10 minutes I turned round and fondled Karina's firm boobs while she gave me a nice, slow hand job. There was no rush and it took a while for me to come and I was very satisfied.

If I am in the area again I may see who else is working.
