The Premises:

Very close to the tube station, just about few minutes walk. The entrance to the flat is discreet and secure so felt safe at all times. The inside of the flat was clean and good for the purpose.

The Lady:

Caroline is a blonde lady from Eastern Europe. She is about 165cm tall, blonde hair, brown eyes with great body to match and a very pretty face.

The Story:

I did not see a face photo of Caroline before the meeting so was a bit worried about how she looked but when she opened the door I was amazed at her natural beauty and was delighted to have booked her.

Caroline provides a straight service, she provided me with oral without, kissing and massage. She has really tender hands and her massage just felt great.

We had intercourse in various positions and a lot of kissing, full GFE and she was just eager to please me. You can cum as many times as you want with Caroline which is really great value for money however I had to finish at round 2! I wished I could go on for ever with her.

Overall it was a great punt, she really made me feel special.
