The Premises:

Her place was a very easy to find well appointed unit not too far from the Gloucester Rd Tube Station. Very clean and discreet place.

The Lady:

Katie was exactly what I expected and more! She is a thin girl but has a very nice bum and great breasts, tho she said she wants bigger!!

The Story:

I got there a little late due to a delayed tube. They were fine about this and ushered me straight into the room. I was met by Katie shortly after. Once money changed hands we got down to business. A massage was offered and taken, it was relaxing to say the least. Then had OW and proceeded with the best cowgirl i have had in a long time. I was finished in no time and spent the rest of our time chatting and getting more of a massage. Was a great experience after a long time without a punt and would definitely go back.
