The Story:

Well....

I havent written a report for 3 years (although still a very regular punter)...but my experience with this girl has forced me out of report writing retirement.

I have used independent angels probably a dozen or so times in the last year - and i have had mixed feelings about some of the girls.

I called the agency to tell them that due to roadworks around the corner and a massive tailback to them, i would be 10 minutes late. They told me this was absolutely no problem and i arrived at 1540 (having booked for 1530).

I was greeted by a stressed Melissa, who said, "YOUR LATE! I cant do full half hour DARLING! I dont live here DARLING"...

I felt bad as I was late, so I agreed to continue with the meeting. I paid her and she went off for about 8 minutes! Came back it was nearly ten to 4.

I got on the bed - and she said "urgh your hot" - i had been sitting on the bed in this very well heated room for 8 mins waiting for her, and explained i just had a shower...

She proceeded to ask if i wanted oral, she gave me the worst COVERED BJ i have ever had which lasted all of about 2 minutes, and then when i tried to kiss her she pulled away. SHE IS ADVERTISED AS OFFERING FRENCH KISSING, ORAL WITHOUT and a GIRLFRIEND EXPERIENCE, I can say she offered NONE of these.

on with another hat and i proceeded with missionary, i came quickly and left feeling like crap, and that i had been completely ripped off.

In the last year - on visits to the girls from Independent Angels, I have quite often not been given kissing OR Oral Without during the service, but have never written a report because the service was okay and i still enjoyed the experience.

I will still continue to use the agency, as I have since they opened, and have nearly always had fun, but Melissa, it just wasn't her day today, she let them down...

Service Provider's Rebuttal

The agency writes:

I can't help but find myself slightly lost for words following this report. We make no excuses for the incredibly poor service experienced by this client and given the severity of the matter have with immediate effect removed Melissa from our site. Under no circumstances should the appointment have been shortened and all services should have been available as advertised.

Melissa had no obligations at that time other than those to her client and her behavior in this matter is simply unacceptable.

We would like to stress that our customer service is of the utmost importance to us. We run random feedback checks to ensure the service our ladies offer matches our clients' high expectations and that the services they advertise are available as promised. We do however rely on our clients to report experiences such as these in order that we may maintain our high standards and prevent further poor experiences.

We would like to apologise to the client involved for this less than satisfactory experience and ask that he contact us in order to arrange suitable compensation.
