The Premises:

A superb location, close to Paddinton station. A little hard to find however, so leave yourself plenty of time. A spotless apartment in a very safe area. A very good first impression.

The Lady:

Aisha is simply gorgeous. Certainly the girl on the website and as previously reported, far sexier in the flesh, although her website pictures are no bad reflection on her beauty.

The Story:

I have been punting now for two years and I can honestly say that my time with Aisha was the best punt I have experienced so far. Excellent communications with the agency and my hour in Aisha's company buzzed past far too quickly. I won't go into any detail here, as there are numerous other reports that detail Aisha's sexual talents and I can only echo those remarks. A top class experience, which I hope to be one of many more in the coming weeks and months.
