The Story:

Eve met me as i came out of the shower. Wow! 5 11 in high heels good looking and a lovely smile.Greeted with a gfe snog and cuddle.When we made it to the bed she massaged ny neck and back with her tongue and tits.Then onto my balls sucking and licking to good effect.Turned me over to "see what I had for her". Rock hard by now she took it all in her mouth owo deep throat. I'm quite big but her technique was great. I nearly came at the sound of her gagging.Toslow down RO on her sweet juicy pussy(shaven) and later on to her tight arsehole.On to the main action. covered up.reverse cowgirl into the mirrored reflection and then miss. Built up a head of steam then got Eve on all fours and rammed my throbbing cock up her tight arsehole. gave it a real good pounding which she liked was very vocal and came(I think). Great finish with cim. Had a lovely chat at the end not rushed. very friendly girl and a great punt
