The Story:

I was very nervous however Angie calmed me down within 5 mins by talking (may sound bad but it worked). After the calming down and donations made, she took her clothes off leaving her tights and suspenders. Asked me get the bed, asked me to lie on my front and she gave me a back massage which was good and released some tension. I then turned on my back where we FK for a bit while she grinded on my. Angie then went down to perform a great OWO, trying my best to hold on and not bust my load. Angie then placed a condom on and jumped on top. We then did some mish and finished of doggie. Layed for a bit and talked. She then had to go. She put her underwear and shirt on (unbuttoned) she then offered a handjob. Got some lube out, started with some OWO (that mouth...wow), lubed up her hand and finished me off. A great experience, wish I had booked for longer.

There is no question that I will see Angie again...hopefully soon.
