The Premises:

A short walk from the tube station in a safe classy area. The place is warm, clean and welcoming. I was running late due to train delay so phoned to say so, but in the event was only 5 minutes late - no problem. The maid was pretty and charming.

The Lady:

Chloe is a beautiful tall red-headed, warm, passionate and sexy woman with a nice bum and lovely tits who kisses enthusiastically!

The Story:

I love kissing - can't imagine sex without it - and Chloe is an expert. I soon discovered that she is also expert at all love-making activities. No blow-by-blow descriptions as words are not enough to describe the enjoyment of an hour with Chloe.

It's enough to say that I left with a smile on my face and a spring in my step.
