Jenny is in her mid twenties, attractive and good at massage and is thoroughly recommended.

The Story:

It is a hairdressers but just go in and ask for a massage and you will be taken upstairs to one of two massage rooms. half hour or one hour massages are available and there are usually two girls on but it just depends who is free as to who you get. Price are 25 for half hour plus 5 pound tips for HR. I have been using Art Hairdressing for twice now and havent had a problem with their service ever. Massage is done on a standard massage table and they won't ask you to strip naked from the start, but if you leave your boxers on they usually get pulled off anyway...:) You start on your front with the inevitable playing with the upper inner thighs and then some gentle teasing of the balls and arse. The teasing gets quite firm then with them reaching under you to give me some teasing as well before getting you to turn over and then on to a nice oily time HR time. Once done massage continues and they will generally rub you down with the paper from the table to get rid of excess oil.
