The Premises:

Easy to find with lots of parking. Lots of Steps. Odd number of pictures of another girls child in room, (family snaps). Was witness to the "changing of the sheets" at the end of the meet, mattress made me feel sick as it had a disgusting thick looking brown stain over 3/4 of the surface.

The Lady:

Classically Beautiful, dressed to please with a very impressive chest, although appeared to be older than her claimed 22yrs. Gravity had taken effect of her assets and underwear was hiding a slight paunch. 7/10

The Story:

Was talkative and was easy to get along with. Was a little rushed in what she did and ran out of tricks after less than half of the time. She claimed to offer a strap-on service with i thought i would try. Turns out she had never done it before and borrowed the toy off a friend. Lack of experience was obvious when she started jabbing the strap-on at me to get it up me, i know that women hate this when you do it and i was no exception. Strap-on was MASSIVE by the way. Beware of hidden costs. Wanted alot of extra money for some services. Bearing in in mind the ageing appearance i dont think Freya was good value for money

Service Provider's Rebuttal

Freya writes:

I think this is another working girl writing bad feedback and the date on the report is when I was on Holiday anyway.
