### The Premises:

Soft Touch is an excellent location. Clean & tidy with numerous massage rooms.

### The Lady:

Stunning brunette. Great body & always smiling. Great conversation too. A lovely lady

### The Story:

Went for an all in Nuru. A new service and much better than the excellent soapy massage. I paid for an extra service not included. Great value for money with this new service & stunning young lady. If you haven't tried Nuru, I recommend you give it a go.
