The Lady:

Candy is an absolutely stunning black escort with gorgeous looks, a lovely curvaceous but slim body and loads of personality. ?

The Story:

I have decided to do a Punternet report because occasionally one has an experience with an escort which needs to be written about. ?There was a real connection between us and the physical side of things was wonderful. ?She?was affectionate, attentive and -?except during our more intimate moments when some concentration was required -?everything was done with a smile. ?All round it was a lovely?GFE with someone who is immensely sexy and lots of fun.

Upon arrival, I was greeted by Candy?in a tight revealing dress showing off her voluptuous breasts and slim figure - my favourite combination.??What I also noticed about her were her exotic looks - her skin the colour of caramel - her lovely smile and her very sexy voice. ?After a delightful welcoming kiss, I knew that I was going to enjoy myself and immediately asked to extend our time together by an hour to which she fortunately agreed.

After getting to know each other, some wine and a shower, we retired to her bedroom where we immediately jumped on each other and got down to some delicious foreplay. ?Candy is a wonderful kisser, she is very sensuous and her body is a delight to touch and caress. ?I won't go into graphic detail about what followed except to say it was very hot; we tried all sorts of things some of which can be described as very naughty (not least the "simba" position which she will no doubt explain if asked); and we had a delightful mutual orgasm. ?Frankly two hours went by in a flash!

Afterwards, Candy was in no hurry to bring our meeting to an end and we had a long chat before I had a shower and departed with a big smile on my face. ?All in all, I had a wonderful time with a lovely sexy lady who really?knows how to make a man feel special. ?Also the electricity between us was remarkable and it not feel like a first meeting at all. ?I shall be back very soon.?
