### The Premises:

Very nice penthouse apartment. Not sure about best place to park - bit wary of parking near apartment in case of clamping but could not see any signs. Room was very tastefully decorated and also had en suite facilities.

### The Lady:

F\*\*king GORGEOUS - pretty much my dream girl. Beautiful face, fantastic boobs, lovely bum and superb legs all wrapped up in a lovely figure hugging chest revealing black dress.

### The Story:

OMG - Been to heaven and back. A vision wafted into the room and my jaw dropped Jessica Rabbit style.

Ava is a lovely person and a damn horny lady to boot.

Instant intimacy was followed by superb oral, a lovely sesh of reverse and a quick mish.

This girl could become seriously addictive and I've had to warn my bank manager of my impending bankruptcy.

Seriously though, Ava is a supremely friendly and horny combo and her parting shot of hope I will see you again made me think only blindness and death could stop me making that happen.

Thanks Ava - the smile is still there - Paddy
